

Training

Certero for SaaS: Adobe CC

Using Certero for SaaS to connect to Adobe Creative Cloud (CC), import data and prepare usage reports relevant to your organization and subscriptions. Learn how to quickly add charts and reports to an Adobe CC Dashboard to get a dynamic view of cost savings opportunities.

Attendee Prerequisites

- Completion of the Certero Essentials training course
- Attendees should have experience of:
 - Licensing via Adobe Creative Cloud
 - On-premise Adobe licensing (Optional)

Agenda

- Setting up the Adobe CC Connector
- Usage considerations
- Reporting and Dashboards

Benefits of Attending

- Gain a deeper understanding of how the solution obtains subscription and usage data
- Learn about the Adobe Creative Cloud inventory and usage data
- Understand how easily and quickly you can gain a holistic view of your usage
- Increase productivity by quickly accessing the information important to your role
- Understand the high levels of automation available within the solution including alerting and reporting

Who Should Attend

This course is for those individuals in your organization that are responsible for Adobe CC license assignments to your employees in a cost efficient and optimal way.

- Adobe CC Administrators
- SAM Administrators
- SAM Consultants
